

Cummins Protection Plan I for ReCon® Engines

Coverage

This Extended Coverage Plan (Plan) is available to be purchased for all Cummins ReCon® Engines used in automotive applications marketed for use anywhere in the world under the trademark "Cummins ReCon®". This Plan covers failures of the following Engine components which result, under normal use and service, from defects in Cummins material or factory workmanship (Covered Failure):

Camshaft Assembly	Rocker Assembly
Camshaft Bushing	Rocker Lever
Crankshaft Assembly	Rocker Shaft
Crankshaft Bearing	Socket
Cylinder Block Assembly	Valve Push Rod
Main Bearing Cap Bolt	Valve Tappet
Cylinder Head Assembly	Adjusting Screw and Nut
Cylinder Head Capscrews	Oil Cooler Assembly
Cylinder Head Gasket	Oil Cooler Core and Gasket
Valve Cover and Gasket	Oil Cooler Housing
Valve Collet	Oil Filter Base and Gasket
Valve Crosshead	Oil Pan
Valve Guide	Oil Pump Assembly
Valve Guide Seal	Cylinder Kit
Valve Rotator	Piston
Valve Spring	Piston Ring
Valve Spring Retainer	Wrist Pin and Retaining Clip
Exhaust Valve	Liners and Liner Packing
Exhaust Valve Seat	Piston Cooling Nozzle
Intake Valve	Connecting Rod Assembly
Intake Valve Seat	Rod
Front Gear Cover Assembly	Rod Bearing
Gear Housing	Rod Cap
Gear Cover and Housing Gasket	Rod Bolt and Nut
Gear Train Gears	Cam Followers
Crankshaft Gear	ECM
Camshaft Gear	EGR Cooler, Valve, Mixer
Camshaft Idler Gear	Turbocharger
Accessory Drive Gear	Water Pump
	Injectors

This Plan begins at the expiration of the Base Engine Warranty period applicable to the Engine. Coverage ends at the time, miles (kilometers) or hours specified on the accompanying Certificate, whichever occurs first, **AS MEASURED FROM THE CUMMINS BASE ENGINE WARRANTY START DATE.**

Cummins Responsibilities

Cummins will pay for all parts and labor needed to repair the damage to the Engine resulting from a Covered Failure.

Cummins will pay for the lubricating oil, antifreeze, filter elements and other maintenance items that are not reusable due to a Covered Failure.

Cummins will pay reasonable labor costs for Engine removal and reinstallation when necessary to repair a Covered Failure.

Owner Responsibilities

Owner is responsible for the operation and maintenance of the Engine as specified in the applicable Cummins Operation and Maintenance Manual. Owner is also responsible for providing proof that all recommended maintenance has been performed.

Before the expiration of this Plan, Owner must notify a Cummins distributor, authorized dealer or other repair location approved by Cummins of any Covered Failure and make the Engine available for repair by such facility. Owner is also responsible for delivering the Engine to the repair facility.

Locations in the United States and Canada are listed in the Cummins United States and Canada Sales and Service Directory.

Owner is responsible for all towing and/or travel expenses incurred as a result of a Covered Failure.

Owner is responsible for the cost of lubrication oil, antifreeze, filter elements, belts, hoses and other maintenance items provided during covered repairs unless such items are not reusable due to the Covered Failure.

Owner is responsible for the communication expenses, meals, lodging and similar costs incurred as a result of a Covered Failure.

Owner is responsible for non-Engine repairs, "downtime" expenses, cargo damage, fines, all applicable taxes, all business costs and other losses resulting from a Covered Failure.

Owner is responsible for the cost to investigate complaints, unless the failure is caused by a defect in Cummins material or factory workmanship.

Limitations

Cummins is not responsible for failures or damage resulting from what Cummins determines to be abuse or neglect, including but not limited to: operation without adequate coolants or lubricants; overfueling; overspeeding; lack of maintenance of lubricating, cooling or intake systems; improper storage, starting, warm-up, run-in or shutdown practices; unauthorized modifications to the Engine.

Cummins is also not responsible for failures caused by incorrect oil or fuel, or by water, or catalytic reagent, dirt or other contaminants in the fuel, or oil or catalytic reagent.

This Plan does not apply to accessories supplied by Cummins which bear the name of another company. Such non-warranted accessories include, but are not limited to: alternators, starters, fans, air conditioning compressors, clutches, filters, transmissions, torque converters, steering pumps, and non-Cummins fan drives, engine compression brakes, exhaust brakes and air compressors. Cummins branded alternators and starters are not covered by this Plan.

Aftertreatment component failures are not covered by this Plan.

Failures resulting in excessive oil consumption are not covered by this Plan.

Parts used to repair a Covered Failure may be Cummins ReCon® parts. Cummins is not responsible for failures resulting from the use of parts not approved by Cummins.

A Cummins ReCon® approved part used to repair a Covered Failure under this Plan assumes the identity of the part it replaced and is entitled to the remaining Coverage hereunder.

This Plan is transferable to subsequent Owners of the Engine by notifying a Cummins Distributor within 90 days of the transfer of ownership.

This Plan does not duplicate other coverages applicable to the Engine.

Fees paid for this Plan are not refundable.

Coverage purchase must be documented on a Cummins assurance plan certificate. The certificate must be signed and dated by the customer.

CUMMINS DOES NOT COVER WEAR OR WEAROUT OF COVERED PARTS.

CUMMINS IS NOT RESPONSIBLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES.

EXCEPT FOR THE PUBLISHED CUMMINS WARRANTIES, THERE ARE NO OTHER WARRANTIES, EXPRESS OR IMPLIED, OR OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
