

Reliability Driven Vintage Parts

Meeting your need for legacy MCI and Setra parts

MCI's reputation for reliability goes way back—and so do many of our coaches. If you've got an older or out-of-production MCI or Setra coach, now it's

easier than ever to access vital parts. We're partnering with Vintage Parts to make sure that you can find the legacy parts you need, when you need them—just like for current-model MCIs.

Shop our parts catalog as usual, or visit VPI directly to access:

- **A large inventory of obsolete, discontinued, inactive, seldom-ordered and other hard-to-find parts for MCI and Setra coaches, inventoried at VPI in Beaver Dam, Wisconsin.**
- **Same-day shipping.**
- **24/7 emergency order system.**
- **30-day no-fault return policy.**
