GUIDELINES

Specific cleaning instructions for each area of the coach are located within section 3 of the maintenance manual. Parts, maintenance and operating information is available at: mcicoach.com. Click on the "manuals" tab to access technical information.

Always check an inconspicuous area first.

Thoroughly rinse cleaner for optimal performance and appearance.

Any cleaners used that are not on the approved list may damage the finish and materials on the coach, and will void the warranty.

Note: Mild or natural soap is a product safe enough to cause no harmful effects if direct skin contact is made.
