OWNER LIMITED WARRANTY MANUAL

Motor Coach Industries, Inc.

Motor Coach Industries Limited

2021

INTRODUCTION

Your warranty rights and obligations are set forth as part of the agreement pursuant to which you purchased your MCI J3500 series coach(es). The information set forth in this manual has been prepared for you by the Warranty Department of Motor Coach Industries to assist you with any warranty questions or problems that may arise. If there is a conflict between anything contained in your purchase agreement and this manual, the purchase agreement will govern and supersede the conflicting manual provision.

We encourage owners and operators to review this manual carefully. Owners submitting warranty claims to MCI should have a clear knowledge of the coverage and terms and conditions of MCI's Limited Warranty before submitting claims. While we believe that this manual will answer many if not all of your questions, we encourage you to contact the MCI Fleet Support Technical Center at 1-800-241-2947, or your regional Fleet Support Manager, should you have any problems or further questions concerning MCI's Limited Warranty.

YOUR ACTION REQUIRED PLEASE

WARRANTY REIMBURSEMENT LABOR RATE

MCI requires that you submit your current base rate for mechanical labor (and any changes in such rates that may occur in the future) for MCI's approval before they will be considered for use on your warranty account. You should also submit your MCI Service Parts account number to which credits are to be applied. Please provide documentation to support your requested labor rate. Proof shall consist of pay stubs, payroll statements, direct deposit statements, or any other legal proof of your company's labor cost for that category of employee. While MCI will use reasonable efforts to assure that all information you send us will remain confidential and will not be used in any other manner except for approval of labor reimbursement, to protect the privacy of your employees you should redact names, social security numbers, and other personal information that should not be disclosed, leaving the job titles and base pay rates visible on the form submitted. Once approved by MCI, the rate information will be kept on file and will assist MCI in the expeditious handling of your warranty claims. We request that you send this information, accompanied by the form provided on page 14 of this manual, at your earliest convenience to:

Motor Coach Industries, Inc.

Labor Rate is effective from the Date of Approval by MCI

As noted in the full text of MCI's Limited Warranty that follows, MCI will credit your MCI Service Parts account for the labor cost incurred in the removal and replacement of the defective part(s) covered by the Limited Warranty based on (i) the number of hours designated by MCI to be required for such work, multiplied by (ii) 125% of the base rate for mechanical labor prevailing at your garage locale at the time of replacement, such base rate to have been previously approved by MCI.

The term "base rate for mechanic labor" means the average base rate of labor paid to your top mechanics, excluding any fringe benefit and overhead costs.

MCI recommends that you review your labor rates annually, and send documentation of any labor rate changes for MCI approval.

Example:

Top mechanic's rate:	\$ 30.00
Times 125%:	x 1.25
Warranty reimbursement labor rate:	<u>\$ 37.50</u>

Third Party Repairs:

You are solely responsible for paying any third party repair facilities that you may decide to use, and submitting the applicable invoice(s) and any other required documentation to MCI for review and approval. Upon approval, MCI will credit your MCI Service Parts account.

Limited Warranty
Applicable to New MCI® J3500 Series Coaches
Manufactured by Motor Coach Industries, Inc. or Motor Coach Industries Limited
Effective with Model Year 2021

Seller's Limited Warranty applies only to new coaches manufactured and sold by Seller for use in the territorial limits of Canada and the United States, including Hawaii and Alaska, excluding Puerto Rico, Guam and the Virgin Islands. This Limited Warranty is not assignable or otherwise transferable to subsequent owners of the Coach unless MCI receives either a properly completed Sale Notification form (a copy of which is in the Owner Limited Warranty Manual) or other documentation acceptable to MCI.

Seller agrees for the Warranty Term herein specified that, subject to certain exceptions, exclusions, and conditions noted below, Seller will repair or replace any defects in material or workmanship (not design) in the Coach. This Limited Warranty applies only to defects discovered during the Warranty Term set forth in Exhibit A.

Buyer must give Seller written notice of any defect occurring during the Warranty Term to which Buyer claims this Limited Warranty applies within thirty (30) days from the date the defect becomes apparent, specifying the nature of the claimed defect and the date it became apparent.

Seller's obligation under this Limited Warranty is limited to (A) repairing or, at Seller's option, replacing free of charge any parts that, in Seller's reasonable opinion, have failed as a result of a defect in material or workmanship (not design) occurring during the Warranty Term under normal service conditions, provided that Buyer (i) has given Seller timely written notice of the defect; and (ii) upon Seller's request, has returned the defective part(s) to Seller, transportation charges collect; and (B) crediting Buyer for the labor cost incurred in the removal and replacement of any such defective part(s) based on (i) the number of hours designated by Seller to be required for such work, multiplied by (ii) 125% of the base rate for mechanical labor prevailing at Buyer's garage locale at the time of replacement, such base rate to have been previously approved by Seller.

THIS LIMITED WARRANTY IS FURTHER SUBJECT TO CERTAIN ADDITIONAL TERMS, CONDITIONS, AND EXCLUSIONS THAT ARE ATTACHED HERETO AND HEREBY INCORPORATED BY REFERENCE AS EXHIBIT A.

Buyer acknowledges that this Limited Warranty does not apply to (A) any parts, components, materials, goods or services furnished or provided after Seller has completed its manufacturing processes with respect to the Coach; or (B) any routine maintenance, repairs, or replacements; or (C) normal wear and tear of the Coach; or (D) any other repairs or replacements that, in Seller's reasonable opinion, are required because the Coach or any accessories, parts, or other equipment comprising the Coach:

- i) has been altered, modified, changed, reworked, or replaced in a manner either not recommended by Seller or that would likely affect serviceability in any respect; or
- (ii) has been subject to abuse, neglect, or damage from an accident, or from intentional acts; or
- (iii) has not been serviced and maintained at reasonable intervals according to Seller's recommendations; or
- (iv) has been operated at speeds in excess of Seller's and/or any component supplier's recommended maximum speed.

Seller reserves the right to audit Buyer's Coach warranty related records, including, but not limited to those regarding claims filed, maintenance records, and parts returned. Seller also reserves the right, in its sole discretion, to suspend its Limited Warranty obligations, including, but not limited to, putting Buyer's warranty account "on hold", and/or suspending or revoking Buyer's access to Seller's CCS system, during any period in which Buyer is not in compliance with its obligations under this Limited Warranty.

ENFORCEMENT OF THE FOREGOING OBLIGATIONS OF SELLER SHALL BE BUYER'S SOLE AND EXCLUSIVE REMEDY AGAINST SELLER WITH RESPECT TO THE COACH. THIS LIMITED WARRANTY AND SELLER'S OBLIGATIONS HEREUNDER ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR

A PARTICULAR PURPOSE. IN NO EVENT WILL SELLER BE LIABLE FOR ANY OTHER OBLIGATIONS OR LIABILITIES, INCLUDING LIABILITY FOR ANY GENERAL, SPECIAL, DIRECT, INDIRECT, INCIDENTAL, PUNITIVE, ENHANCED, RELIANCE, OR CONSEQUENTIAL DAMAGES OF ANY KIND WHATSOEVER (INCLUDING, BUT NOT LIMITED TO, LOSS OF PROFITS AND LOSS OF USE) WITH RESPECT TO THE SALE OR USE OF THE COACH. NO PERSON IS AUTHORIZED TO CHANGE OR OTHERWISE MODIFY THIS LIMITED WARRANTY OR ASSUME ANY OTHER LIABILITY ON BEHALF OF SELLER UNLESS SUCH CHANGE, MODIFICATION OR ASSUMPTION IS MADE IN WRITING AND SIGNED BY AN OFFICER OF SELLER.

MCI Emission-related Warranty

- (a) General. MCI warrants to Buyer and each subsequent purchaser that the Coach, including all parts of its emission control system, meets two conditions:
- (1) It is designed, built, and equipped so it conforms at the time of sale to Buyer with the requirements of 40 CFR Part 1037.
 - (2) It is free from defects in materials and workmanship that cause the Coach to fail to conform to the requirements of 40 CFR Part 1037 during the applicable warranty period.
- The above warranty will be referred to as the “MCI Emission Warranty” in this document.
- (b) The warranty period of the MCI Emission Warranty is as follows:
- (1) Five (5) years from the date the Coach is first placed into service or 100,000 miles, whichever first occurs; and
 - (2) For tires, two (2) years from the date the Coach is first placed into service or 24,000 miles, whichever first occurs.
- (c) Components covered. The MCI Emission Warranty covers emission-related components that are included in the certified emission controls. The MCI Emission Warranty covers the Coach’s tires. The MCI Emission Warranty does not cover components whose failure would not increase the Coach’s emissions of any regulated pollutant, nor does it cover tire tread wear.
- (d) Warranty Exclusions. The MCI Emission Warranty does not cover any failures resulting from any improper maintenance or use, as described in *40 CFR §1068.115*.

ENGINE AND TRANSMISSION

The engine and transmission are warranted directly and solely by their respective manufacturers and **not** by MCI. Since MCI does not warrant the engine or transmission, the preferred and suggested method for you to obtain engine or transmission service under any such manufacturer's warranty is to request assistance from your local authorized engine or transmission dealer, as applicable.

If requested by the Buyer, MCI will as a courtesy reasonably assist the Buyer in obtaining warranty service and/or reimbursement from the applicable engine or transmission manufacturer or supplier. In such event, the Buyer must comply with MCI's reasonable requests relating to the filing of a warranty claim and return of defective parts.

In no event will MCI's assistance to the Buyer be deemed or construed as creating any obligations on MCI's part, whether under warranty or otherwise, with respect to the engine or transmission included as part of the Coach sold by MCI.

In some instances a Buyer may have purchased an extended warranty offered by the manufacturer of the engine, transmission, or other component. In such instances, Buyer shall report such warranty claims directly to the component manufacturer that offered the extended warranty. In no event will MCI have any liability for any warranties offered, directly or indirectly, by any component manufacturer or supplier, regardless of whether MCI assisted the Buyer in purchasing any such extended warranty from the component manufacturer or supplier.

SALES NOTIFICATION

Please contact the MCI Warranty Department if the Coach is sold or no longer being operated. MCI will require a Sales Notification Form to be completed in order to transfer the Coach from/to your company records. A copy of the Sales Notification Form is included at the back of this manual.

A user id and password are required prior to entering or viewing claims. If you do not already have a CCS warranty account, call MCI Fleet Support Technical Center at 1-800-241-2947 and request to be transferred to the Warranty Department, who will set you up with a CCS Warranty Account. Once a warranty claim is filed via the CCS, or reported to an MCI Fleet Support Technical Center Representative, you will be given an MCI claim number. IT IS VERY IMPORTANT THAT YOU RECORD AND RETAIN THIS CLAIM NUMBER AS IT IS THE SOLE TRACKING NUMBER USED BY MCI IN ADMINISTERING YOUR WARRANTY CLAIM.

PERFORMING REPAIRS

As noted above, MCI's sole obligation under this Limited Warranty is limited to (A) repairing or, at MCI's option, replacing free of charge any parts that, in MCI's reasonable opinion, have failed as a result of a defect in material or workmanship (not design) occurring during the Warranty Term under normal service conditions, provided that Buyer has given MCI timely written notice of the defect and, upon MCI's request, Buyer has returned the defective part(s) to MCI, transportation charges collect; and (B) crediting Buyer for the labor cost incurred in the removal and replacement of any such defective part(s) based on (i) the number of hours designated by MCI to be required for such work, multiplied by (ii) 125% of the base rate for mechanical labor prevailing at Buyer's garage locale at the time of replacement, such base rate to have been previously approved by MCI.

WARRANTY REPLACEMENT PARTS

Replacement part requests for covered warranty claims should be directed to the MCI Customer Care System (CCS) located on our web site at <http://fleetsupportiw.mcicoach.com/iwarranty/signon> (which provides information on returning parts) or to the MCI Warranty Hotline. Subject to the terms and conditions of MCI's Limited Warranty, MCI will provide a replacement part for a covered warranty claim at "no charge" to Buyer, provided that the Buyer returns the defective part to MCI's Warranty Department within forty-five (45) days from the date of MCI's request. The claim will require the information listed on the "Reporting a Failure" page. Once the proper information is provided and the claim has been submitted, it will go into a pending status for MCI to review. Should Buyer not return the defective part(s) within such time, MCI will deny the warranty claim and invoice the Buyer for the price of the replacement part(s), plus freight, and, in its discretion, may put the Buyer's warranty account "on hold." "On hold" means that as long as the Buyer's warranty account shows a balance due MCI, warranty parts need not be shipped until they are first paid for by the Buyer. Reimbursement for parts purchased from NFI.Parts will be issued to the Buyer provided that Buyer complies with the parts return policy with respect to those parts and the returned part otherwise qualifies for warranty coverage. If a part is returned to MCI and: (i) is found not to be defective; or (ii) the Buyer's warranty claim with respect to the returned part is not otherwise in accordance with the terms and conditions of MCI's Limited Warranty; or (iii) the part was damaged during shipping, MCI will return the part to Buyer and invoice Buyer for any parts that MCI provided at no charge to Buyer, plus freight, and the claim will be denied.

Materials being returned to MCI must be well packaged in a sturdy shipping container to prevent possible damage in shipment. All returned parts, including, but not limited to, radiators, alternators, transmission oil coolers, cylinder, and pumps, must be completely drained of all fluids. Failure to return parts free of fluids will result in your account being assessed the actual costs incurred by MCI to clean up any such fluid spill, subject to a minimum charge of \$25.00.

All returned parts must be identified by the MCI claim number assigned by the Warranty Department or via CCS. All returns are to be accompanied with RGA paperwork.

Shipping charges will be paid by MCI when returning a defective part covered by MCI's Limited Warranty. Parts are to be shipped freight collect only by MCI approved carriers*.
