

MCI J-Series university coach.

Put an MCI Coach on your team.

With teams to transport, activities to organize and VIPs to escort, your school can rely on motor coaches for a significant portion of its transportation needs.

By owning your own MCI coach, you can control your transportation budget while increasing your visibility.

MCI

Advantages to owning your own coach.

Better management of travel costs.

Increased access to transportation.

Better control of your scheduling.

Raise your visibility wherever you travel with a custom decal, wrap, school colors, mascot, or motto.

J-Series

- ✓ North America's best-selling charter coach for over 12 years running, offering luxury and dependability. Independent Navistar tests confirm that the MCI J4500 beats its peers in fuel economy.
- ✓ Lowest 14-year total ownership cost in its class.
- ✓ Available in 35' and 45'
- ✓ Color coordinated seat, fabric and flooring options available.
- ✓ Best-in-class maneuverability with a turning radius under 33' on the 35' model, and 41' on the 45' model

Interior features.

The interior cabin can be customized to satisfy individual business preferences and branding goals.

Multi-color LED lighting options throughout the interior create a modern lighting atmosphere to match your school colors.

- ✓ Tiered theatre seating.
- ✓ Spiral entryway.
- ✓ Options such as electrical outlets for personal devices, Wi-Fi, satellite television, refreshment galleys and multi-screen video packages for viewing media and team footage.

- ✓ Seating configurations that go beyond the standard, offering roomier options worthy of your biggest athletes.
- ✓ Entrance door LED welcome light with customizable school-specific logo to welcome your passengers on board.

Reliable service and support.

MCI service and support delivers a relationship-driven and responsive approach to customer care.

Comprehensive support that includes in-field expertise, technical call center and 24/7 roadside assistance.

Ongoing technical training from the industry's only Automotive Service Excellence (ASE) accredited MCI Academy technician training center.

Customizable programs to fit your financial needs through NFI Financial Solutions™.

Parts support from NFI Parts™, the industry's largest parts supplier.

MCI Service Center - from routine maintenance and warranty to complex troubleshooting, you'll find all the help you need.

Low + zero-emission.

Zero-emission

The MCI J4500 CHARGE™ battery-electric coach offers zero-emissions transportation, while delivering high-capacity commuter coach transportation.

Low-emission

All clean diesel coaches comply with EPA low-emission standards, so you and your students can feel good about your role in protecting the environment — on a per passenger basis, our clean-diesel coaches offer lower emissions than any current hybrid car. Hybrid and CNG coaches are also available.

High tech safety systems.

- ✓ Patented Digital Wheel End Sensing (DWES) systems that help measure wheel end temperatures that monitor individual wheel ends for potential issues.
- ✓ Optional next-generation 360° Camera that provides a bird's-eye view around the entire coach to significantly aid vision while maneuvering at low speeds.
- ✓ Collision mitigation technology including stationary object detection and lane departure warnings.
